## RICHARDS BAY CHRISTIAN SCHOOL SUBJECT PACKAGES

## Compulsory Subjects:

1. English
2. Afrikaans OR isiZulu
3. Life Orientation
4. Mathematics OR Mathematical Literacy

In order to take Mathematics, we recommended that Grade 9 students should achieve a minimum overall year mark of at least $50 \%$. Students intending on taking Physical Science and Information Technology must choose Mathematics, rather than Mathematical Literacy. This is IEB requirements for Matric Examinations.

We have also added isiZulu as a first additional language choice. Students choosing isiZulu must already be able to read, write and speak the language.

Students are requested to choose ONE subject from each package below.

Please tick boxes for subject required from each package.
